Please keep in mind that we have a minimum of \$2.00 per item at this sale. Therefore, clothes retailing for under \$8.00 would not meet sale guidelines. Any items that do not meet our sales guidelines will not be accepted at drop-off. Let's make this a quality sale event where you can find premium clothing at bargain prices!

Please make sure all clothing is free from stains, odors, pet hair and missing buttons. Take a little time to wipe down all surfaces and wash all things that can be washed. A little bleach, an iron or a needle and thread work wonders! Trim loose threads, button all buttons, snap all snaps, tie all bows and zip all zippers. Please remember to have working batteries for all toys/equipment needing them. For grease stains, try spot treating with Dawn dish soap and wash normally. Remember appearance is everything. View your things through the eyes of the shopper and ask yourself if this is something you would purchase at that price.

**\*Bella Board:** We will only accept large items that are fully assembled by the consignor and disassembled by the consignor. If your item is too large or you cannot get it to the sale, please consider posting your item on our Bella Board. You take a clear 8X10 picture of your item and include your contact information and price. The fee is \$10.00 per listing. We do not take a percentage of the sale. The buyer will contact you directly for viewing, purchase and pickup. You must be a registered consignor to use this board. Consider our board for bedroom furniture, swing sets, large playhouses, basketball nets, motorized jeeps, trampolines, etc. Listings and fees will be collected at drop-off.

## Pricing Guidelines

Our suggestion is to price your clothing between 25% to 35% of retail price. We want you as the consignor to move your entire inventory. As a shopper we want you to find great deals. Set your prices to sell.

Our minimum is \$2.00 per item and you can only price at .50 increments. Consider grouping items like onesies, bibs, receiving blankets, books, bottles, etc.

Popular toys and gear like Little Tikes/Step 2, play kitchens, playhouses, jogging strollers can be priced 40% to 60% of retail.
